Naval War College and Surface Warfare Officers School students should review floor plans contained in housing information bulletin and ship only those household goods that can be accommodated in the units. Recommend TOs counsel members to utilize non-temporary storage at origin under the entitlements outlined in JTR 5286 COURSE(S) OF INSTRUCTION OF 20 OR MORE WEEKS AT ONE LOCATION A. HHG Transportation. HHG transportation may be authorized from the last or any previous PDS or place of storage or from the HOR or PLEAD to the place at which the course is conducted; and/or 2. NTS a. Upon Service-concerned approval, NTS at origin may be converted to SIT at the member's request, in whole or in part if the member is authorized, under an order, to transportation or NTS. b. NTS conversion is at Gov't expense. c. Any storage costs accruing for periods in excess of 180 days are the member's responsibility. d. Unless otherwise provided in par. 5244, no additional HHG storage is authorized before further PCS order is issued. Rental apartments in the Newport area are usually small, and/or semi-furnished, and expensive. Recommend NTS at origin using above JFTR references. Remind members that only 90 days of storage in transit will be authorized with an additional 90 days approved for unusual circumstances. Partial deliveries are authorized to a temporary residence. There are several private mini-storage facilities in the area.

NNMC, Bethesda, MD: Single personnel assigned PCS to schools at NNMC, Bethesda, MD, are encouraged to contact the school prior to shipping household goods. There may be a requirement for single enlisted personnel to reside in the barracks. Large items of furniture cannot be utilized in the barracks and should be stored at origin.

AOR: All customers with shipments arriving in the JPPSO-MA Area of Responsibility (AOR) must provide the counselor at origin, during their counseling or prior to their departure, a valid email address and destination or in-transit telephone number (AKO or personal email account) where they can be reached at.

Counseling: Counselors at origin must provide customers with INBOUND shipments to JPPSOMA the address of our website: <https://www.belvoir.army.mil/jppsoma>. The website provides customers information on what they must do upon their arrival at destination by selecting option "INBOUND" to accomplish actions or gain information. This is very critical to our being able to arrange the delivery of their shipments as early as possible. Even if a customer has not yet found a residence or been assigned to designated Government housing, it is important that they contact us and provide our office new contact e-mail and telephone numbers. In order to expedite the process rather than customers calling into our IVR Telephone Queue, it's easier for the customer to send us their information via e-mail. Use the website to contact JPPSOMA.

Defense Personal Property System (DPS) MOVE.MIL: Eligible members moving out of the GBLOC-CNNQ Area of operations are required to use MOVE.MIL for self counseling. For most moves, DOD Customers will arrange their HHG, Unaccompanied Baggage and Personal Procured Moves (PPM) moves on-line. For more information in how to gain access, arrange your move, and obtain more specific information on this program visit the web at: www.move.mil.

CNNQ - JPPSO-SE NAS Pensacola, FL: Air Force students assigned to the 489 FTG performing PPM's need to be advised of limited storage facilities to accommodate shipments upon arrival while attending 12-18 month training. Origin PPPO's must advise members of 90 days SIT entitlement at NAS Pensacola and while moving into Unaccompanied Officer Quarters (UOQ). Only students with approved Housing Quarters are entitled to NTS after approval from the Housing Director. Pensacola Special Instructions Incoming students need to arrive in Pensacola prior to the start of school, to receive items, due to difficulty of classroom scheduling. It is advised students bring only what they can carry with them. Delivery or pickup of shipments may not be possible due to training requirements and short notice departure orders. TDY Guide Personnel in receipt of TDY orders, to Pensacola are entitled a TDY weight allowance only inbound and outbound. Full JFTR weight entitlement is not authorized from a TDY point. ENLISTED authorized 400 LBS. OFFICERS authorized 600 LBS. Order assignment adherence clarification for students (1) Students with household goods (large furniture items), attending a course of instruction over 20 weeks (NAVY ACC: 342) in duration should utilize NTS at origin in lieu of shipment, if the personal effects are not needed at destination. Navy ACC: 342 is considered a Permanent Change of Station,

therefore member is authorized full JFTR weight entitlement to destination. (2) Students under 20 weeks (NAVY ACC: 341) course instruction in duration electing to bring their families; can ship only their TDY weight allowance to and from their TDY activity. FOOTNOTE: Navy Orders ACC codes need to be strictly observed when shipping personal items due to NAS Pensacola is a large training base. ACC Code Guide: ACC 341 - Training of instruction is less than 20 weeks (TDY/TAD point); ACC 342 - Training of instruction is more than 20 weeks (PCS) ACC 100 - Permanent Duty Station (PCS). Home of Record/PLEAD Moves Home of Record moves are not authorized until a final PDS order is issued. Members are to be advised HOR moves do not take the place of other entitlement moves. Effective 5 Mar 2008 Naval Flight Officers and Student Aviators Per direction of the Commanding Officer (NAS Pensacola/NAS Whiting Field) "Personnel that come to the Pensacola area for API (Aviation Pilot Indoctrination) and flight training will adhere to the following guidance: All (Unaccompanied) Naval flight officers and student aviators MAY be required to live on board NAS Pensacola and NAS Whiting Field if space is available in Bachelor Housing." All inbound unaccompanied personnel are to check with their gaining organization to determine if they are required to live in Bachelor Housing. If a member ships personal property and is required to reside in the BOQ/BEQ, the storage of personal property at destination will become the responsibility of the member. Base housing Waiting time for Government quarters is: Enlisted - 0/2 mos, Junior Officer (01-03) 0/2 mos and Senior Officer (04-06) 05/06 mos. Suggest those with NTS entitlements utilize this service. Members that chose to have a partial delivery of designated items please make sure property is segregated prior to household goods being shipped to destination.

CORRY STATION STUDENTS: It is recommend to place member goods into NTS. Member's are allowed to ship their unaccompanied baggage shipments if they are going to be here long enough to receive it. To many members shipping their baggage and leaving it in SIT because they do not have room for UB in their BQ room OR by the time they receive the shipment they are receiving new orders to move to their duty station. This is a waist of government funds shipping across country and the government paying SIT.

NAS Key West FL: Most housing units in the Key West area are small, limited in space (900-1200 square feet). If you have large or lots of furniture you may want to consider keeping it in storage at origin while in Key West. The excess to on base quarters is available only if living in Government housing, but this storage is not on the island.

SANTA ROSA COUNTY PENSACOLA FLORIDA: Santa Rosa County Florida, Personnel who reside in Santa Rosa county and are assigned to base housing on Eglin AFB or Hurlburt Field, FL will be processed by JPPSO-SC (HAFC) when local move is funded by housing orders. All other personal property moves will be processed by NAS Pensacola, FL (CONT). If you require any assistance please contact the local Transportation Office on Eglin AFB, Hurlburt Field or NAS Pensacola for assistance.

GUANTANAMO BAY CUBA :

Item 15: \$26.00
Item 20: \$30.00

a. Direct Procurement Method (DPM) Household Goods (HHG) and Baggage:

JPPSO-NW has no formal inbound/outbound DPM contracts in Zones 03, 04, 07, 08, 09, 10, 11, 12, 13 and 14. Consign shipments to the warehouse as shown for all areas with DPM contracts. For information regarding rates, please contact the Shipment Distribution Branch, 253-967-5093 or DSN 357-5093. DPM is the preferred method for Unaccompanied Baggage going to Alaska from CONUS. Code 7 or 8 are alternate methods. Counselors should advise members to consider utilizing/arranging partial release/delivery of baggage items from their HHGs rather than making a separate UB shipment. There is no AMC Channel to Eielson AFB, Clear AS or the Fairbanks Area (Zone 15). For DPM shipments originating in CONUS DO NOT tranship to AMC ports such as (SUU) Travis AFB, CA. Use freight companies that PROVIDE STRAIGHT THROUGH SERVICE to Alaska. Consign DPM shipments to Contractor listed in the notes for that particular zone.

b.

Through Government Bill of Lading (TGBL) HHG:

Shipping from CONUS to Alaska, is considered Domestic for HHG's. Code 2 and Code D are both acceptable for shipping HHG's to Alaska. Shipping OCONUS to Alaska, preferred method for shipments from OCONUS to Alaska is Code 4 (HHGs) or Code 8 (UB) to cities listed in Zones 15

c. High Value Personal Property:

For those items separated and identified as expensive and valuable items by the member/employee or the member/employee agent, and authorized by the ordering officer, a detailed inventory will be prepared by the Contractor and certified by the member/employee or the member/employee agent. This special high value inventory will become an addendum to the total inventory bearing the signature of the Contractor or the Contractor representative. The listing of expensive and valuable items in cartons will be in specific terms such as: 2 eight silver forks, eight silver spoons, one silver ladle.

d. Parcel Post Personal Property:

CONSIGN TO MEMBER OR MEMBERS AGENT C/O LOCAL ADDRESS OR UNIT OF ASSIGNMENT. Do not consign Parcel Post to JPPSO-NW.

3. Special Instructions

MOBILE HOMES

Advise members requesting moving mobile home into the state of Washington should contact Department of Transportation, Permit Office, P.O. Box 47367, Olympia, WA 98504-7367, Phone 360-664-9494 or 1-800-562-6902 prior to move.

JPPSO-NW WEBSITE

<https://www.lewis-mcchord.army.mil/jppso/> is the official website to gather information in processing outbound household goods moves, inbound move services, claims information, extension requests, excess cost tips, shipping weapons, POVs, storage, counseling and contact information for various departments.

NAVSTA PUGET SOUND NTS & QC/QA POINTS OF CONTACT

Personnel in need of contacting NAVSTA Puget Sound, WA for non-temporary storage assistance (360)476-2642. Quality Control/Quality assurance can be reached at (360)476-2805 or (360)476-5079 for personnel picking up or inbound to Puget Sound surrounding areas of Bremerton, Everett, Whidbey Island, WA.

COMMAND AND GENERAL STAFF COLLEGE (CGSC) FORT LEAVENWORTH, KS

Students assigned inbound to the Command and General Staff College (CGSC), Fort Leavenworth, KS should be advised that student quarters may not accommodate their full weight allowance. Under the provisions of JTR 5286, recommend arrangements for non-temporary storage be made at origin for personal property shipments in excess of assigned quarters (weights will vary dependent upon quarter's style). Personnel should consult housing prior to arrival to ensure quarters are available for prompt delivery arrangements. Overseas & domestic personal property processing offices should ensure members are counseled on the entitlement for non-temporary storage at the port of debarkation for those items not required at the course location. Recommended processing offices identify CGSC attendees on first line of Block 10a of DD FORM 1299 for ALL inbound/outbound shipments. Summer presents unique circumstances in both arranging deliveries and outbound pickups. Avoid delays with prompt actions once orders are in hand.

PEAK SEASON (MAY-AUG) SPECIAL PROCESSING INSTRUCTIONS

During peak months (May - Aug) allow for 21-30 additional processing days for all shipments. Advise to contact your respective processing office to ensure receipt of shipment application. Advise to contact your transportation service provider IMMEDIATELY upon booking confirmation to ensure timely pickup is scheduled. Provide ALTERNATE PICKUP DATES in general remarks section with your submission. Allow 10-14 days for NTS releases to process from origin. DO NOT WAIT UNTIL THE LAST MINUTE TO SUBMIT FOR PICKUPS OR DELIVERIES. The earlier you process your application the better chance you give yourself to ensure pickup or delivery is scheduled. Short fuse requests ARE NOT A GUARANTEE for quick pick up as agents have authority to negotiate dates. Short fuse storage releases (5 work days or less) will not be entertained and shipment will be referred back to your responsible processing office for alternate dates. Visit JPPSO-NW website at <https://www.lewis-mcchord.army.mil/jppso/> for more information.

Pickup Spread Dates USTRANSCOM Advisory #21-0030 dtd 1 Feb 2021

For short fuse awards, a three (3) consecutive calendar pickup spread date is required. For all other (standard and special solicitation (SS)) shipment awards, a seven (7) consecutive calendar pick spread date is required. Does NOT apply to NTSR & DPM shipments. Applies to pick-up dates after 15 May 2021

SHIPPING INSTRUCTIONS TO/FROM ALASKA: All shipments "from" Alaska destined for NTS should be shipped DPM and consigned to the DPM contractor. Contact local transportation office to ensure complete submission of DS documents. DP3 shipments generated from other Transportation Office's will need to be submitted to correct PPPO counseling queue for further processing.

PICK-UPS AND DELIVERIES AT TOWN CENTER HOUSING AREA: Joint Base Lewis-Mc Chord Town Center Housing Area operated by Equity Housing does not have adequate space to navigate an 18 wheel tractor trailer, i.e. a 53 foot moving van, safely without causing structural damage. In addition, narrow streets only allow one way to enter the Town Center Housing Area. There's NO permitted parking of semi-trucks, or 18 wheelers close to the housing area. The nearest parking is on 12th & Nevada St. All TSPs and/or local agents will be required to use Shuttle Service, Lifts, Hoists, and/or Stair Carries. All services require Pre-Approval through JPPSO NW's Quality Assurance Section. Submit Pre-Approvals to the following: TSP's request through DP3 shipment pre-approvals prompt. Local Moves (non-GBL) and DPM's send email request: usarmy.jblm.usamc.mbx.jppsonw-qa@mail.mil Service member scheduling deliveries to Town Center directly with TSP or local agent must advise that shuttle services is required and must be pre-approved by JPPSO NW's Quality Assurance Section. a. Direct Procurement Method (DPM) Household Goods (HHG) and Baggage:

LHNQ Currently does not have a DPM provider. Do not book DPM shipments to LHNQ or forward mail in applications for DPM services.

b. Through Government Bill of Lading (TGBL) HHG:

Consign to member or member's agent at address if known, otherwise, consign to member at destination city/installation where member will reside/is assigned. Annotate PPGBL: "Carrier will notify TO, USCG Base Alameda, Bldg-3 Coast Guard Island, Alameda, CA 94501, at (510) 437-5318/3061, prior to delivery or placing in storage." 510-437-5346 is not a working number or associated with this office.

c. High Value Personal Property:

Recommend taking high value items such as jewelry, large CD/DVD collections, laptop, etc in POV. Ensure any items not wishing to be shipped with HHG be locked in POV on the day of pack/pickup.

d. Parcel Post Personal Property:

Do not consign to TMO. Consign to member or member's agent c/o local address or unit of assignment. Ensure parcel post shipments are via traceable means. If members make arrangements, ensure they have advance TO's approval.

3. Special Instructions

Unusually Arduous Ships: All ships located at CG Island Alameda are Unusually Arduous units (CGC STRATTON, CGC BERTHOLF, CGC WAESCHE, CGC MUNRO) with expected absences from their assigned homeport for the major portion of the sea duty assignment. HHG should not be shipped until a residence can be established. To avoid SIT converting to owner's expense, consider placing HHG in NTS at origin. Members residing on the ship (E-3 and below) can only accept a small baggage shipment. Place household goods into NTS at origin until member has a residence. Members transferring without their dependents (geographical bachelors) may have a small HHG shipment delivered to CG Island, provided they will be available to receive the shipment (not have it delivered to the base warehouse).

Petaluma Training Center: CG Petaluma Training Center students who arrive to attend the following schools: FS A School, OS A School, SK A School, and YN A School must reside in shared barracks and cannot accept shipments. Place household goods in NTS at origin pending completion of these courses. Students with no dependents attending the following schools: ET A School, IT A School, or HS A School must reside in shared barracks and cannot accept shipments. Place household goods in NTS at origin pending completion of these courses. Students who ship to CG Petaluma and cannot accept delivery due to residing in shared barracks are subject to SIT charges being converted to owner's expense. IT A School, ET A School and HS A School students with Dependents are authorized to ship Household Goods. Household Goods must be delivered within the third month of school. Any request to move Household Goods after the fourth month of school will not be authorized.

West Coast DPM Contractor: LHNQ is Not the PPSO for shipments returned from the Pacific to Conus pending further instruction, NTS, or when the final destination is unknown. These shipments must only be moved via DPM, packed and crated and consigned to the West Coast DPM Contractor (LFAH)707-747-4820. Do not ship via code 2 or 4.

PPM Information: Coast Guard members must have empty and full weight tickets done at origin. In addition, DD Form 2278 must be completed and signed by the local TO before departure. If they do not, they will only be reimbursed any authorized actual costs that are directly related to the PPM and not the incentive portion. POV and recreational vehicles (such as RV or trailer) may be used to move HHG, however only trailers 14 feet or less may be included towards the weight of HHG. In such cases, a copy of the trailer's registration must be included with the PPM claim. Costs to rent an auto transport are not reimbursable for actual cost PPM claims or for operating expenses advancements. Fuel and toll reimbursement is not authorized for members solely using their POV to conduct a PPM.

No DPM Contract 30 NOV 2016: Effective 30 NOV 2016 we will not have a DPM contract in place under LHNQ. Please do not send any DPM shipments to our AOR with an RDD after 30 NOV 2016 as we will not be able to clear them under the contract. At this time we do not know when a new contract will be in place.

3. Special Instructions

Saint Paul Island and Port Clarence, Nome - Saint Paul Island/Lorsta, Point Clarence, Nome All COAST GUARD shipments for Saint Paul Island and Port Clarence, Nome are the responsibility of the Integrated Support Command on Kodiak Island (GBLOC: MAPS). Saint Paul Island and Port Clarence, Nome shipments MUST be consigned to ISC Kodiak, AK (MAPS) using code 7 or 8 for baggage and code 2 for Household goods ONLY. These are weight restricted areas. See AOR listing in Alaska

One Time Only (OTO) Areas -- SEE ZONE 11 : All cities/towns/villages listed in Zone 11 need to be routed and booked as One Time Only (OTO) shipments. Please e-mail or call JPPSO-ANC for question regarding shipment routing in Alaska. 1-877-216-1671. jppso-anc@us.af.mil

Shipments to Alaska from CONUS: For shipments from CONUS: Alaska is considered Domestic for HHGs and International for Baggage. Code D or 2 are both acceptable for HHGs shipment. Code 7 or 8 are the preferred method for UB shipments vs DPM. Counselors should advise members to consider utilizing/arranging partial release/delivery of baggage items from their HHGs rather than making a separate UB shipment. All shipments to destinations in ZONE 11 must be routed as OTO. If additional assistance or advise on consignment instructions are needed contact JPPSO-Anchorage by telephone (907) 552-2209/6605 or email; JPPSO-ANC@US.AF.MIL

POV - Coast Guard: Shipment of POV is prohibited to Nome and Dutch Harbor, Alaska for Coast Guard service members.

Non-Temporary Storage - Alaska: Recommend maximum use of non-temporary storage at origin for items that will not fit or are furnished in privatized housing units (i.e. washer/dryer, etc.)

Weight Restrictions to Alaska: Unaccompanied Air Force members E1-E4 and residing in government quarters are weight restricted to 500 lbs by air or 700 lbs by surface. Refer to JTR and AFI 24-501 when counseling advising members on weight entitlements.

Fort Greely, Alaska: Shipment for Greely/Fort Greely should be consigned to JPPSO-NW (JEAT)

MAIL-IN Paperwork: Email all 'mail-in' shipment requests for MBFL to outbound.jppso@us.af.mil - Shipments in DPS or TOPS will not be booked prior to receiving Orders, 1299, and other pertinent documentation.

CORDOVA ALASKA- ZIP 99574 : Shipments to CORDOVA Alaska are the responsibility of PSSU KETCHIKAN Alaska (MAPK) and MUST be routed as One-Time-Only

Fort Wainwright/Eielson AFB/Fairbanks AK - -SHARED AOR: JPPSO-NW (JEAT) is responsible for all Services OTHER than Air Force members destined to/from the Fairbanks/Fort Wainwright/Fort Greely areas. AIR FORCE shipments destined to or picked up from Fairbanks/Eielson AFB/Clear AFB/North Pole etc., are the responsibility of JPPSO-ANC (MBFL)

DPM Shipments from CONUS: For DPM shipments originating in CONUS DO NOT tranship to AMC ports such as (SUU) Travis AFB, CA. Use freight companies that PROVIDE STRAIGHT THROUGH SERVICE to Alaska. Consign DPM shipments to Contractor listed in the notes for that particular zone.

DPM from OCONUS Locations through AMC: DPM from OCONUS locations through AMC should only be shipped to Cities listed in Zones 1-3. (Anchorage and surrounding areas) There is no AMC Channel to Eielson AFB, Clear AS, or the Fairbanks Area (Zones 4-5). Please call or email JPPSO-Anchorage for instructions if your only method of routing is DPM. jppso-anc@us.af.mil

Travel, Personally Procured Moves, and Firearms through CANADA: Counselors should advise members that are conducting PPMs and/or traveling through Canada of the strict Canadian Firearm Laws. Failure to declare firearms may lead to arrest and/or fines by the Canadian Government. Members should refer to the Royal Canadian Mounted Police website <http://www.rcmp-grc.gc.ca/cfp-pcaf/fs-fd/visit-visite-eng.htm> , or a call to the Canada Firearms Center at 1-800-731-4000; request Extension #9026 if entering Canada at the Alberta border and Extension #9530 if entering from British Columbia. Addition information on transporting personal effects through Canada can be found on the U.S. Customs and Border Protection website https://help.cbp.gov/app/answers/detail/a_id/737/~/.u.s.-residents-or-citizens-moving-or-transporting-personal-belongings-through and the US Department of State website <http://www.travel.state.gov/content/passports/en/country/canada.html>

Shipments to Alaska from OCONUS Locations: The preferred method for shipments from OCONUS locations to Alaska is Code 4 (HHGS) or Code 8 (UB). If DPM must be used, see notes on restricted Zones/Cities under "DPM from OCONUS Locations"
